VISION

WHERE WE'RE GOING

To build an innovative global brand by creating products that tap into the unlimited potential of invention and discovery.

MISSION

WHAT WE DO

We design and manufacture inventor-driven products that organize your life, protect your gear, light your way, and creatively solve your everyday problems.

BRAND

WHO WE ARE

We pride ourselves in being fun and functional, trusted and innovative, and obsessively dedicated to making products that are not only guaranteed for life, but guaranteed to improve your life.

STRATEGY

HOW WE DO IT

Our success is rooted in integrity and in keeping our promises to each other and to our customers. We move quickly, we adapt to change, and never back down from a challenge. Every member of our team brings a spark, and together we create the "BOOM!" that defines our culture and celebrates our success.

OUR HISTORY

1989

RCP Enterprises is launched by Rick Case, Founder, CEO, and inventor of the company's first product, the Nite Ize Headband Mini Flashlight Holder.

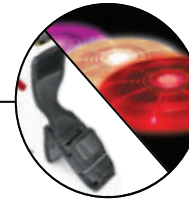

1995

Mike Boyd, current Nite Ize President, becomes the first full-time employee for the company.

1998

Nite Ize launches its first website.

2001

Expanded beyond flashlight accessories by introducing mobile and LED products.

2013

The Original Steelie® Dash Kit launches at CES®.

2011

Nite Ize opens a 90,000 square foot distribution center in Boulder.

2011

The iconic Gear Tie® Reusable Rubber Twist Tie™ is launched.

2006

The current Nite Ize corporate headquarters in Boulder is purchased.

2014

The first major marketing initiative is launched: Discover Your Solution™.

2018

Decades of growth lead to the acquisition of a new 160,000 square foot building.

2019

Nite Ize reinvents the zipper with the TRU® Zip waterproof zipper.

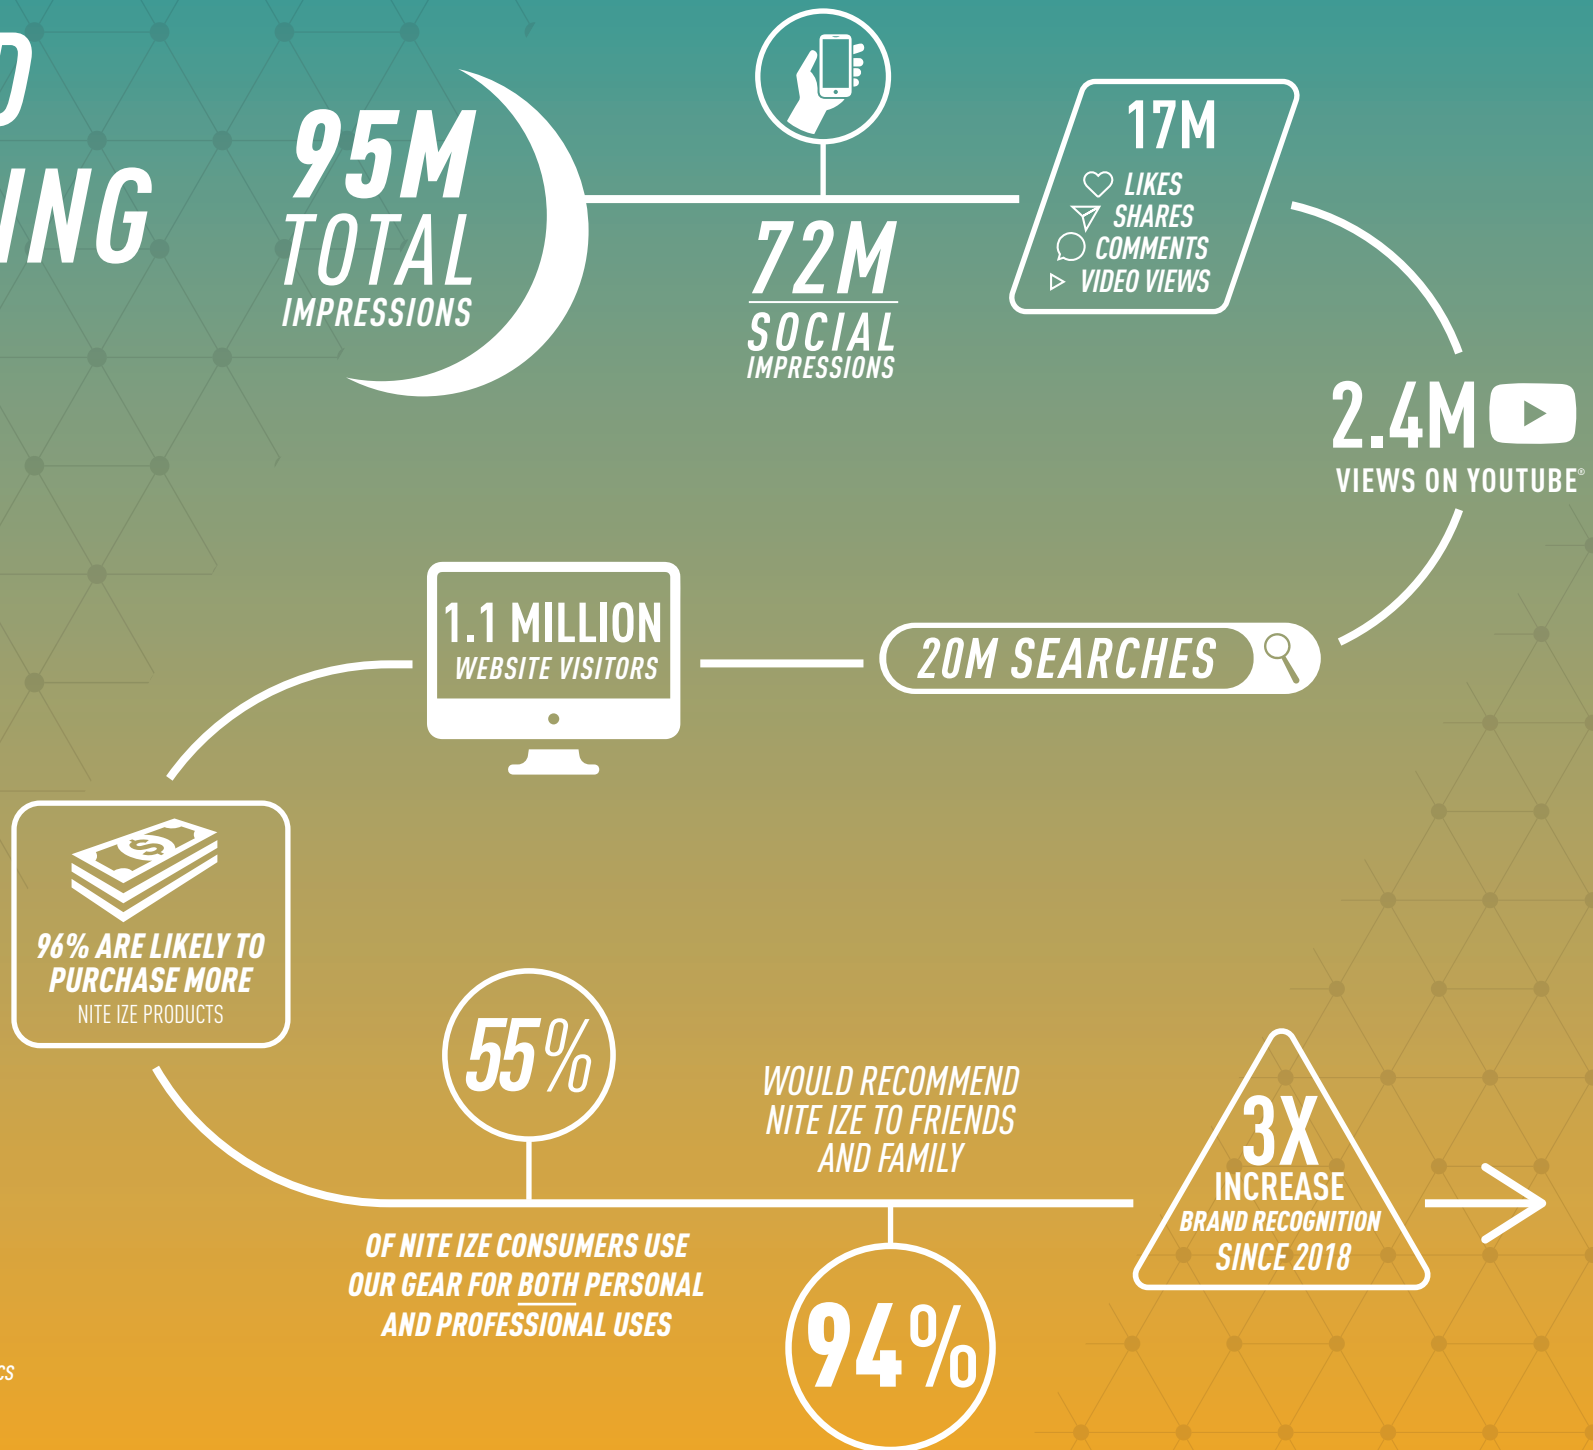

2019

Nite Ize launches new logo and rebrand.

...And our story is still unfolding. Innovation is always on the horizon.
